

A 15x15 grid of circles is plotted on a coordinate plane. The x-axis and y-axis both range from 0.0 to 1.0, with major ticks every 0.2. The grid consists of 225 circles in total. A 3x3 subgrid of circles, located in the center of the main grid (from x=0.4 to 0.6 and y=0.4 to 0.6), is highlighted with red outlines. The remaining 216 circles have blue outlines.
